Pooja Room

Collection

In this collections of 300x450mm format, we have collected the most relevant in modern design: from maximalism with a riot of tropical colors to the suprematist SUPREME motifs, modernist panels. We were inspired by everything that has become the pinnacle of interior fashion the rethinking of traditional ornaments and shapes, pronounced textures, pure colors and delicate shades in harmonious and contrasting combinations, unusual patterns and graphics - in a word, the most striking trends that will not become obsolete in the coming years and even decades.

When it comes to wall tiles, they turn into the
key element in decorating the living space,
giving the wall tile the focus of attention indoors.
The main theme of our decorative tile is,
without a doubt, the hydraulic wall tile.
The antique style is fashionable again.

The Constant search of being singular
encourages the interest in the past.
Nowadays people are seduced by worn out
shapes and vivid colours like the ones
we can find in the clay.
A contemporary vision of an antique style.

The natural world offers a myriad of design possibilities. Each acts as a door, opening up a world of inspiration for us. From the most striking, to the subtlest, our designs are a tribute to nature's artistic prowess. This is why we find ourselves on a never-ending the quest to replicate the best of Nature in our tiles. We source natural products from around the world, dedicating our designs, technology, and manufacturing, processes to providing a closer to-nature-look. It's more than a way of life for us. It's the ethos we live by, creating designs.
