This adaptation towards the contemporary changes has made India world's 3rd largest manufacturer across the globe.

The Oasis group is India's leading company in the manufacturing of Vitrified & all tiles and Sanitary ware products. An entity founded in 2006, has flourished its way to rapid success, crowned to be India's leading manufacturers in the ceramics industry. COMFORT IN EVERY STEP, STYLE IN EVERY TILE

A matt surface exudes an understated elegance that draws you in with its soft, velvety texture. Unlike the high sheen of glossy tiles, matt tiles offer a more muted, refined beauty, ideal for creating a sense of calm and tranquility in any space. The non-reflective finish brings a natural, organic feel, perfectly suited for modern minimalism or rustic charm.
